Grad Night committee came to the Boosters board with concerns for the next years fireworks stand. The Grad night committee suggested the recommendation is to renegotiate our contract and check all invoices directly from Western or proceed with the Boosters board running the stand and working directly with Western fireworks. We would need to secure our permits.

Adds are still being billed

Signs:

Signs look good in the gym except where there are no signs yet we need that part painted blue to match and make it look neat and unified.
