Cyndie would like new coffee pots in the football concessions. The ones that are there don't work and mix and match pieces to make coffee. Would be better for just hot water.

Sink in the football concessions is also leaking but is of great concern because the electrical is below. Call Tevis to fix hot cocoa maker

Nancy to ask Tony Vander Maas about small concession next to the football concession stand need to be kept clean by coaches and ask if this small concession area is that of Boosters
